WE WORSHIP**

## Commitment Sunday March 24

Worshipping together takes many forms, with one of the most recent being the opportunity to give corporately to the renovation of our church.

We are planning a special worship service of commitment and celebration for Sunday, March 24th. As part of this Commitment Sunday, we invite you to bring a special gift for the *Together We Worship* emphasis, along with your pledge commitment card, if you have not already turned it in by that date.

It's also just as important that our worship include giving to the operating budget of the church. Our hope is for every member of our church, including our children and students, to participate in this special offering, so be talking to your family members about how each of you may contribute something to the offering when the baskets are passed during the service.

Whether you are placing your pledge card, a gift to *Together We Worship*, your contribution to our budget, or a written prayer in the offering baskets, it will be a powerful demonstration of the unity we share as a church, presenting our best gifts to God as an act of worship.

Grateful to be your pastor,
