## FBC STUDENTS RISE

We have returned from REFUGE, our Student Ministry summer camp experience, and we have witnessed God's presence in many powerful ways. We enjoyed our time at Heart of Texas Baptist Encampment in Brownwood, Texas with many other churches from all over the state. A total of 385 students worshipped the Lord together, studied His Word, and enjoyed great times of excitement.

The theme for REFUGE was *Rise*. How can we *Rise* and hear from God and then how can we *Rise* in service to Him? Our students studied Philippians throughout the week in worship as well as many passages in small groups and personal devotional times. They learned how to study God's Word and how to examine it more closely. They were passionate in their study and we saw great fruit from their diligence.

Every night we were able to share as a church group what God has been doing in our midst, both individually and corporately. God is certainly moving in the lives of our students and I am excited to see what impact it will bring to our Student Ministry and to our entire church. We have great leaders in our Student Ministry and we long to see them grow in the Lord in the years ahead.

We also had a ton of fun at camp! Our students had a wide variety of ways to enjoy this past week. Heart of Texas Baptist Encampment provides a small pond for swimming, blobbing, and canoeing. They also have a rock climbing wall, zip line, paintball, archery tag, gaga ball pits, and so much more. Our students enjoyed all of these things and more. It was a relaxing and good time for all.

As we look back on this week we have much to be thankful for as a ministry. We are thankful God is powerful and consistently loving in our lives. We are thankful for a generous church that provides opportunities for these experiences. We are thankful for your prayers and encouragement. And finally, we are thankful for Jesus Christ who provides salvation and purpose for our lives.
