## DID YOU KNOW...

### The Organ has been temporarily removed from the Sanctuary?

This is, of course, part of the process of renovating our Sanctuary. Our Together We Worship project is in full swing, and we continue to rely on the Lord's provision, through His church.

### We are already engaged in ministry at Orr Elementary?

Robert Watson, John and Angie Haynes (our Orr liaisons) and I got to be with the teachers and administrators at Orr two weeks ago as the Principal Young welcomed them and their families to the new school year. You will be hearing more about this ever-expanding ministry

### Our Tyler Family Assistance Center has served nearly 13,000 of our neighbors this year?

TFAC is a ministry of our church located across the street from our main campus serving those in need of food, clothing, and the loving care of a Christian. Each person who comes on Tuesdays and Thursdays throughout the year gets one on one attention, as well as a group devotional from the Word of God.

### Our Rec Center is open to the public and church members utilize our facility at no cost?

No matter your age or stage in life, there is something in our Recreation Center that will help you stay active

and fit for service in the Kingdom. For more information about the Rec Center, go to <http://www.fbctyler.org/ministries/recreation/>

### We kick off our Wednesday night programming on August 28th?

We will begin our Wednesday night gatherings with Vision Night (including our regular business meeting). You'll hear from each of our Standing Committees, our Deacon ministry, and our Together We Worship Team as we pray for and consider our future as directed by God.

### Your giving impacts all of this?

That's right! All of this is due to the faithful giving of our congregation to the glory of God. Your time in service, praying and giving of your finances is what allows FBC to minister and grow in these various ways. Thank you!

### There are 127 days until Christmas?

Just thought I'd throw this one in!
