VISION AND MISSION: the Business of the Church

At FBC, our **vision** is a church where every member is empowered by the Holy Spirit to be engaged in ministry and to fulfill his/her unique calling. Our **mission** is to live, teach, and tell the gospel so that all may encounter the living God.

So, when we have a Vision Night that includes our Regular Business Meeting, please understand that the business of our church is to do all we can to fulfill our vision and mission!

On November 20th at 6:15 PM, we will have such a gathering. On that night, we will worship, pray, hear brief reports from our Standing Committees, vote on those nominated to serve on the various committees, and vote on our 2020

Church Budget. This gathering is of the utmost importance. Our committees help us fulfill the vision and mission of our church, and our budget reflects the planned expenditures to help us accomplish this God-given, Christ-centered, and Holy Spirit empowered endeavor.

To better understand the budget (hard copies available by November 6th) and get your questions answered, please join us for either of our **Q and A's**. Details below.

To God be the Glory!
