## Getting More Out of Holy Week

As we approach Easter Sunday morning, where we will celebrate the Resurrection of Jesus Christ, there are practices and opportunities that will help fully engage our hearts.

1. **Pray:** Pray specifically for our services, for the people you are inviting, for the guests that will come and for you and your family to have a deeper understanding of what it means to follow the Risen Christ.
2. **Invite Someone:** Whether or not you have an invite card, simply ask someone to join you at FBC. Even if they do not come – you have valued them and let them know that you are a Christian. God can use this small effort to do more than you can ask or imagine.
3. **Consider a Fast:** You can abstain from a meal, multiple meals, sweets, etc. It can also be from television, social media, or something else you'll miss. The purpose is to fill the time you would spend on this activity with time in prayer, Bible reading, devotional reading, even taking more time to build godly relationships. Fasting from food will give you a “longing” and will remind you of your utter dependence upon Christ.
4. **Serve:** Come early on Easter and look for ways to help. Greet those you do not know. Be willing to sit wherever there is a seat, and scoot in to make room for others. And, our Extended Session still needs So Loved approved volunteers. This is your opportunity to minister to children and their families, which is vital!

Our *Good Friday* service will be filled with Scripture, choir and congregational music, and the observance of the Lord's Supper. It is a powerful way to remember the passion of our Lord and to anticipate Easter Sunday morning. I hope to see you there!
