OUR PLAN

SANCTUARY/WORSHIP CENTER

We will fully renovate the existing sanctuary with updated sound and video components, paint, carpet, seating, lighting, hardware and doors. To ensure safety, a code compliant balcony will be created, as well as accessible handicap seating in designated areas of the sanctuary.

COST NOT TO EXCEED

\$2,100,000

HVAC SYSTEM:

We will replace the 50-plus year-old heating and air conditioning system with an energy efficient unit for the Sanctuary, the Wright Building and the Education Building. This long-term cost savings will free up funds for future ministries.

COST NOT TO EXCEED

\$2,100,000

OUR PRAYER

Lord, challenge us as a church family to be all you have called us to be, for your Glory and your purpose. May we give generously of the resources you have supplied, and in that process, learn more of the heart that “so loved the world that He gave”.

“Now to Him who is able to do immeasurably more than all we ask or imagine, according to His power that is at work within us, to him be glory in the church and in Christ Jesus throughout all generations, for ever and ever! Amen.” Ephesians 3:20-21
